LOGISTICS, DELIVERY & ASSEMBLY

Shipping from Riga to anywhere in the world.

Freight from Riga worldwide, with export and import declarations handled.

Door-to-door delivery to your address, quoted per destination.

Supplied flat-packed. Panels are hand-carried, so a standard side gate is not an obstacle.

Assembly: two to four people, 40 to 120 minutes, basic hand tools. Full manual included.

Fully assembled installation available on request.

Electrical work must be carried out by a certified electrician.

HEATER OPTIONS

Take ours, or fit your own.

SUPPLIED BY US

We can supply and ship a heater specified to the cabin size, quoted separately.

OR FIT YOUR OWN

Already partnered with a heater brand?
We ship the cabin pre-cut with the electrical penetration, ready for your own unit to be fitted on site.
